Conditions: The company reserves the right to reject this agreement, if upon inspection, equipment is found in such condition that service will be unsatisfactory to either party. The company will assume no responsibility for either the proper operation of the equipment or any parts or components thereof if service is performed by anyone not authorized by the company and advise that all warranties made by it will be null and void upon performance of unauthorized service. This agreement is nonrefundable. The company shall not be liable for loss, damage, or injury caused by failure of delay in performing services hereunder when such failure or delay arises from causes beyond its control. The company shall not be liable for any consequential damages of any type to any person. This agreement does not cover the cost of labor or material for the repairs or replacement resulting from acts of God, fire, water damage, or any other circumstances beyond the company's control. The company reserves the right to change prices at any time, without prior notice. Energy Savings Plan discounts do not apply to equipment replacement.
